Hi Anthony,

See further note from Wolverine below.

I know legal counsels are lobbing letters back and forth – do we want to have this call or leave it to the lawyers right now? I'm on cell if you want to give me a shout to discuss.

Julie

Julie - The lawyers have discussed, but can we set up a commercial call at some point tonight? I believe we should have Sequeira, ENT Mgmt (John Stevens) and the monitor (A&M) on this call as legal has discussed pushing out a one week extension to closing to figure out the rest as both parties intend to close. Anybody else you think is necessary for the call we can add and let's leave counsel out on both sides.

Thank you,
